# 21ST CENTURY CHARACTER AND ACADEMIC SKILLS

Implementation Process

1 Establish Collective Responsibility - What skills do students need to have to do their best learning in a student-led voice and choice environment?

2 Collectively decide on common language and framework

3 Prepare the school environment to achieve goals using

R E O R D E R

| RELATIONSHIPS | ENVIRONMENT | OPPORTUNITIES | RESOURCES | DISTRIBUTION OF LEADERSHIP | EVALUATION | RECOGNITION |

School Process

Whole School General Introduction Assembly

⬇
