

# Sun West School Division moves to MySchoolSask Platform!

Over the next few years, school divisions in Saskatchewan will be moving to a single student information system, MySchoolSask or MSS. This system will replace PowerSchool in Sun West Schools. Currently schools are in the process of setting up and learning how to use the new system.

This means that some of the supports you are used to as families, such as Parent and Student Portal, will be changing and will require time to have the replacement system in Place and to train families how to use them. We appreciate your understanding and flexibility as we work to learn this new system.
