

## HO-38 Revise and Edit

- ☐ Does it make sense?
- ☐ Are events in order?
- ☐ Is it interesting for someone reading it?
- ☐ Did you leave out any important details?
- ☐ Do all details stick to the main idea or topic?
- ☐ Look to make sure all sentences have capitals and periods.
- ☐ Have your mentor help you with some spelling if needed (most 3 and 4 letter words; for longer words invented spelling is very acceptable and encouraged, rather than having it done for you).
