

HO-4 Text Features Chart

Write the name of the book in the first column. Look through the book to find the different text features. Write at least one page number in the columns to show where you found that feature in the book. These are often found in non-fiction books.

Explore your local library. Ask your librarian for help!

Title of Book	Bulleted lists	Captions (below picture)	Diagrams	Glossary	Graphs	Headings/subheadings	Illustrations	Bold print	Index	Labels	Maps	Photographs	Table of contents	Tables	Text boxes
