

Clarifying Assessment  
and Outcomes:

In the **center**, write the concept or big idea to be explored in the project.

In the **first ring** are the outcomes/concepts that could be addressed.

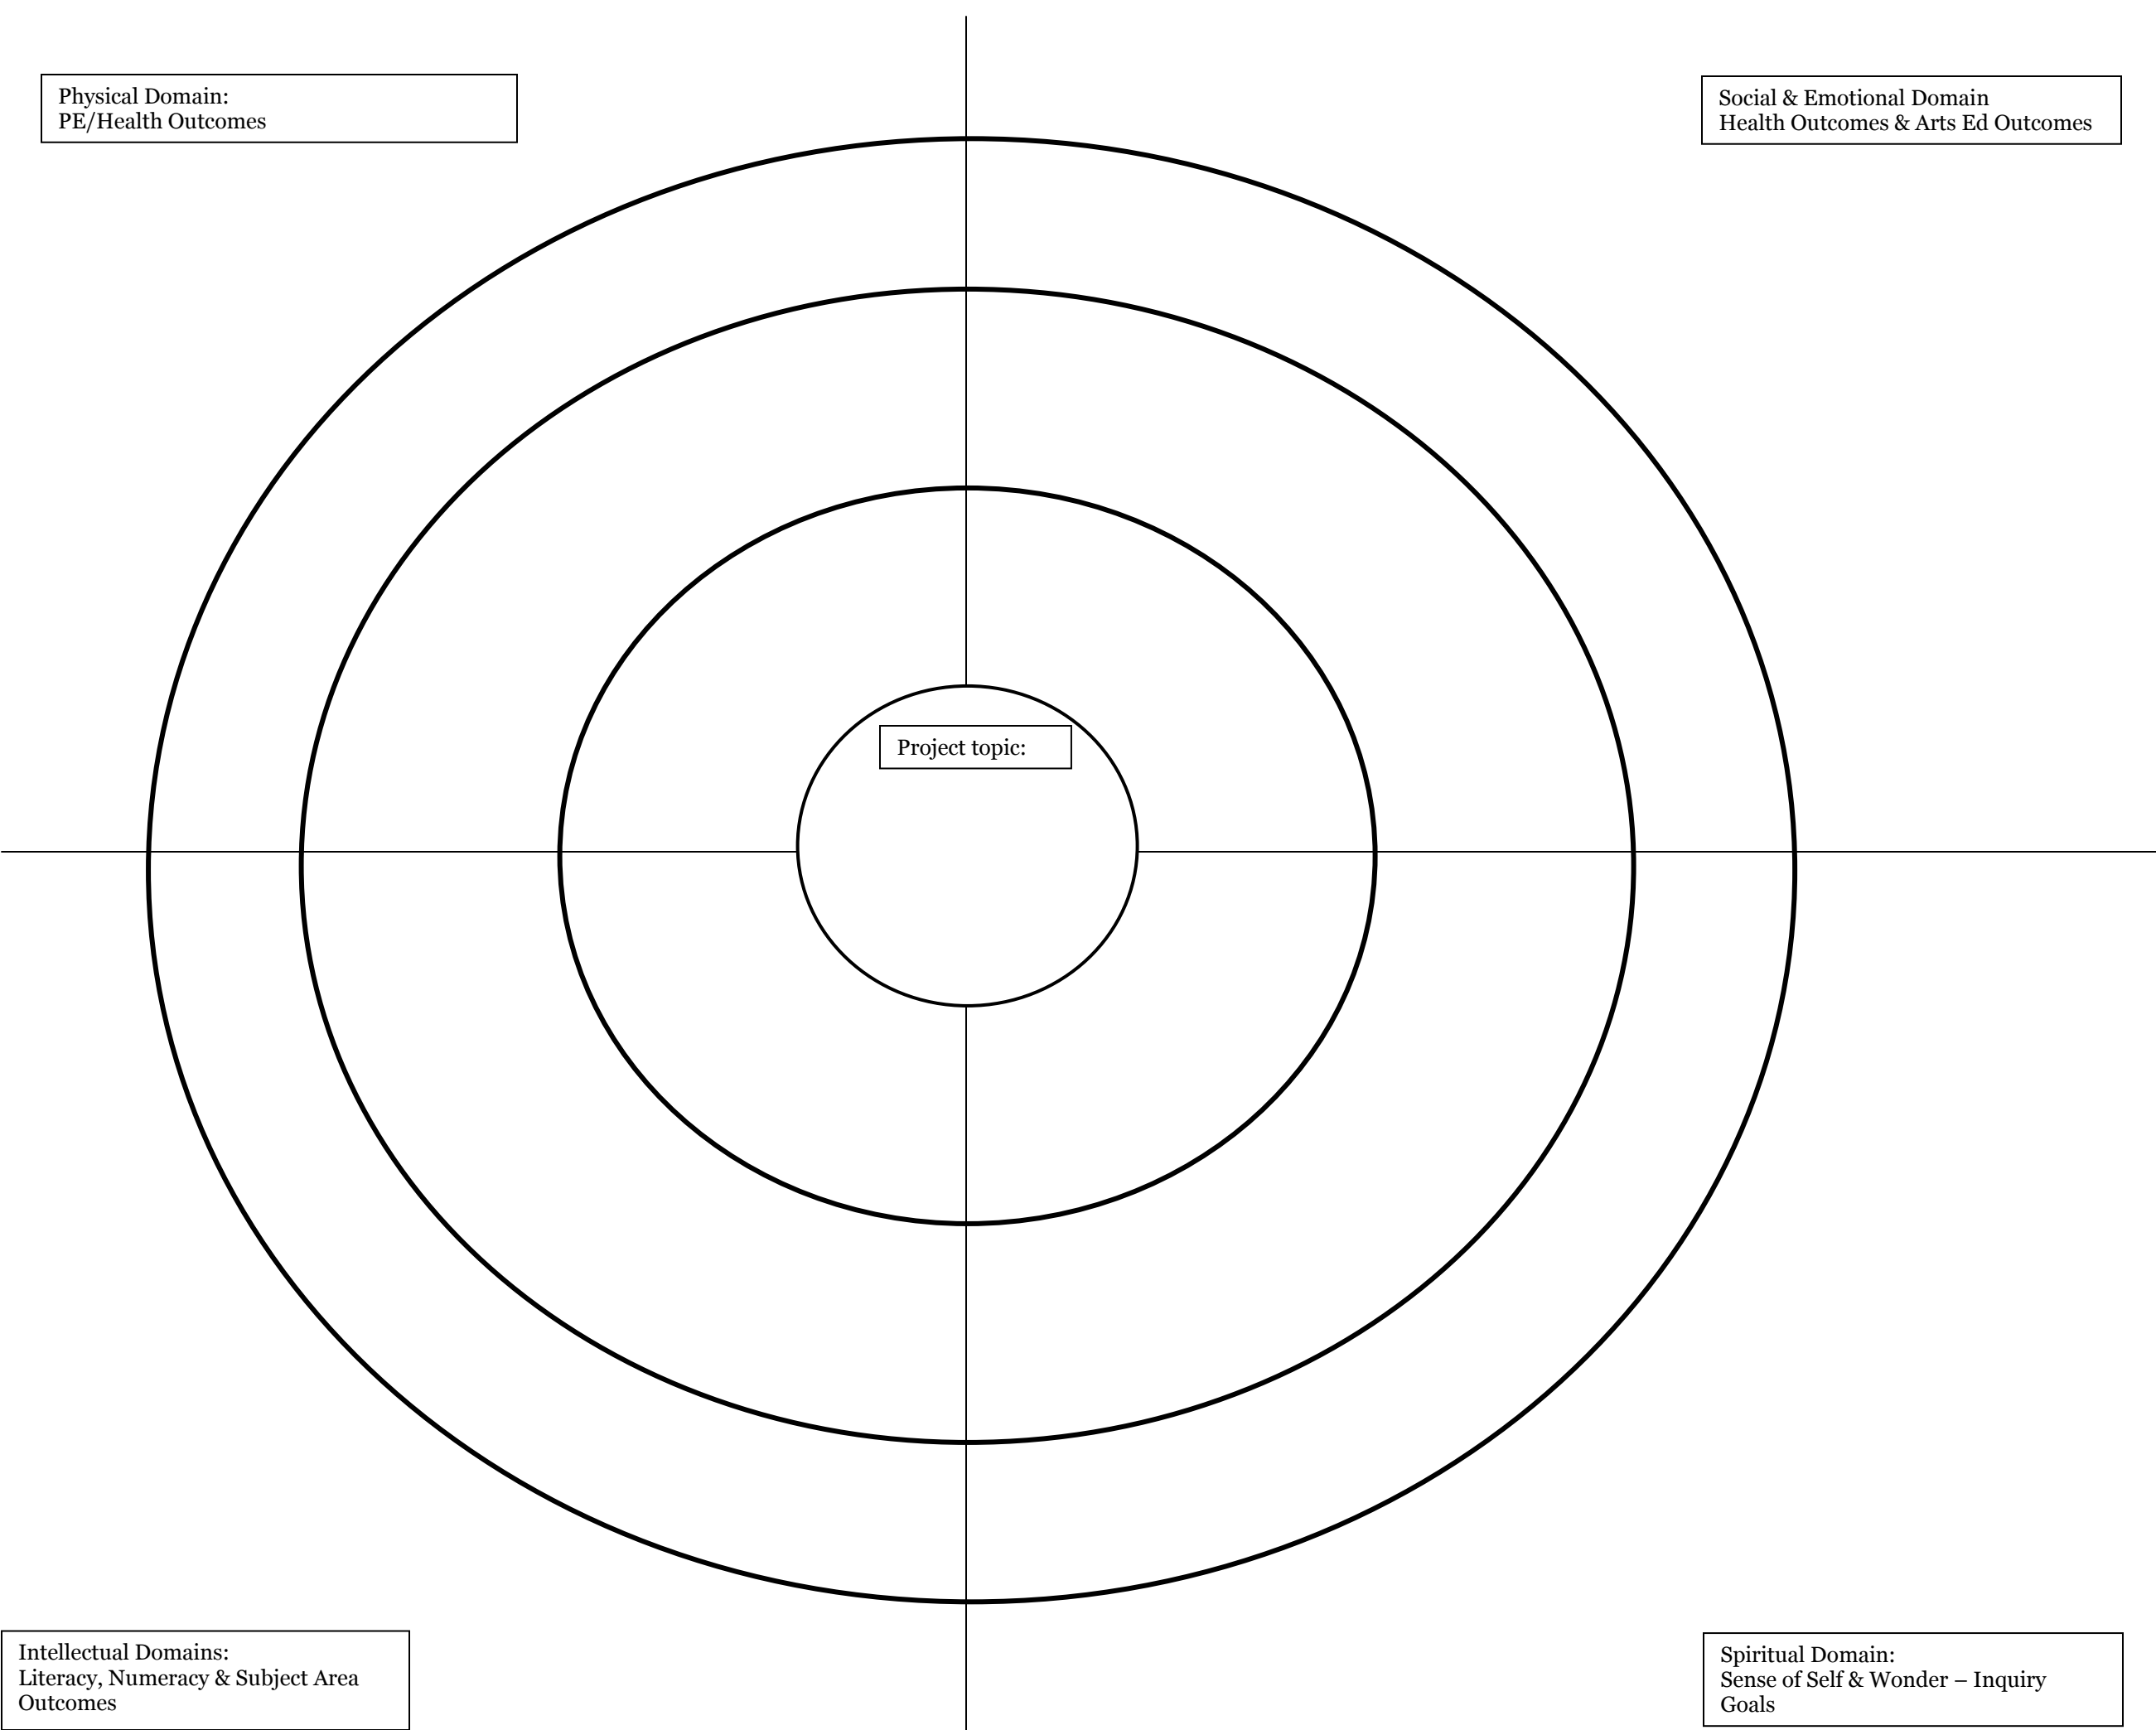

In the **second ring** record the invitations you may set up around the topic and outcomes.

In the **last ring**, write activities, resources, materials and site visit ideas you may try

**Outside the circle** listing the criteria for learning, you will be watching for in your documentation, what will you look for when the children are playing and working on this project?
