

HO-33 Comprehension Questions

These answers are meant to be **scribed** by mentor **in the students' words**. Alternately you may include these as an audio or video recording as you ask the questions aloud. *Please make a note if a lot of prompting was required.*

1. What do you remember from what you read? Retell the beginning, middle, end.
2. Who were the characters in the story?
3. What did they do? What did they see? Where were they (setting)?
4. What were some feelings that **you** or the characters had?
5. Make some connections: What does this little story make you think about in your own life?
