

HO-5 Animal Research Graphic Organizer

What does the animal look like? (ex: size, body, teeth, claws, beak, colour, fur/feathers)

How does the animal move (eg. hop, slither)? What sounds does it make?

What does the animal eat? When does it eat (ex: nocturnal, how often)?
How does it get its food (ex: chase, browse, dig)?

Where does the animal live? (ex: rain forest, desert, pond) Describe its habitat.

Who are the animal's enemies?

How does it protect itself?
