

HO-1 Simile

A **simile** compares two things using the words *like* or *as*. It helps describe things. It helps make a picture in your head or mind when you think of it.

For example, a balloon can be compared like this:

Object	Compare to	Simile
balloon	soccer ball	as big as a soccer ball
balloon	sun	as round as the sun
balloon	feather	light like a feather
balloon	raindrop	like a big raindrop on a string

How can you compare things to describe? Complete the sentence to create a **simile**. Last, make your own!
