

A-1 Self-Evaluation: Writing Bibliographies

Complete the following checklist.

When you write a bibliography, do you remember to:

- ☐ Start with the author's last name?
- ☐ Underline or use italics for the book title?
- ☐ Check for correct use of punctuation marks?
- ☐ Indent the second line of an entry?
- ☐ List entries alphabetically by the author's last name?

What is the most difficult part of writing a bibliography?
