

Inferences involve drawing conclusions and making judgments based on facts and evidence. Write important details and facts in the boxes on the left. Write inferences about those important details in the boxes on the right.

The diagram consists of two identical horizontal pairs of boxes. Each pair is connected by a right-pointing arrow. The top pair has a box on the left labeled 'Detail or Fact' and a box on the right labeled 'Inferences About the Fact'. The bottom pair also has a box on the left labeled 'Detail or Fact' and a box on the right labeled 'Inferences About the Fact'. The boxes are empty, suggesting a template for user input.
