## Career Updates from Sun West School Division

**Our Career Development LEAD Teacher Team hopes this Student Career Newsletter finds you healthy at home.** We will do our best to continue to share life/career related information and support your life/career investigations during these unprecedented times.

### \* Grade 12 Reminders:

**Correspondence:** For students who have applied for post-secondary institutions for the Fall of 2020, please keep checking your emails or post-secondary accounts for updates regarding admissions, course registration, etc.

**Transcripts:** As always, your official high school transcripts must be ordered through the [Government of Saskatchewan](#). If you require assistance with ordering transcripts for post-secondary purposes or even for yourself, reach out to your Career Counsellor.

**Local Scholarships:** All of our school communities are different, but Grade 12's will have access to various 'local' scholarship opportunities. Inquire with your Career Counsellor for details. Thank you to our local and area businesses for making these generous scholarship opportunities available for students.

**Student Loans:** Student loans can greatly assist young people when it comes to financing their post-secondary education. As far as we understand, application forms for the 2020-2021 school year will be available online in June.

**\* On Track To Graduate?** It is important for Grade 9 through 12 students and families to be aware of graduation requirements. We realize we are in unprecedented times, but this is a great time to take a close look at where you are at in relation to high school course planning and plans for life after high school. It is important to be aware of interests, skills, future goals, etc. in addition to becoming familiar with current Saskatchewan Graduation requirements and pre-requisite learning if planning to pursue post-secondary studies. Below is information for Saskatchewan Graduation (Regular Program):

[Saskatchewan High School Credit Options Document](#)

### Credit Requirements for grades 10, 11, and 12

#### Regular Program—24 Credit Policy

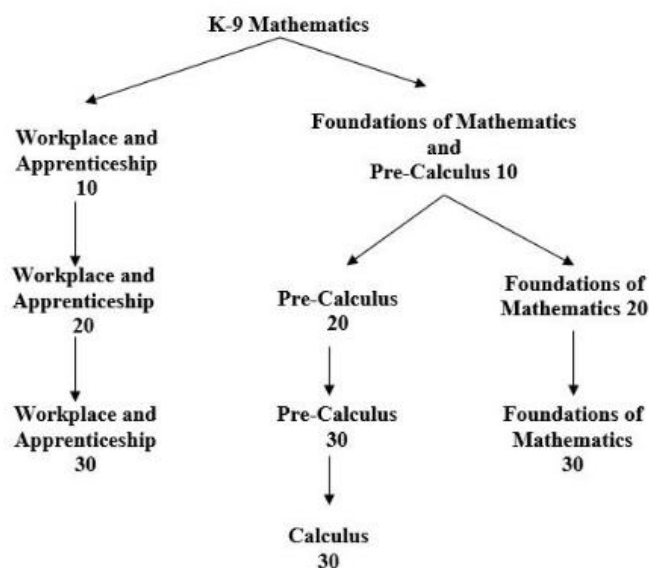

Grade 10	Grade 11	Grade 12
minimum 8 credits  <b>Compulsory Courses:</b> English Language Arts A 10 and English Language Arts B 10;  Social Studies 10, History 10 or Native Studies 10;  Science 10;  a mathematics at the 10 level;  3 electives at level 10 , 20 or 30	minimum 16 credits  <b>Compulsory Courses:</b> English Language Arts 20;  a mathematics at the 20 level;	minimum 24 credits (5 of which must be at the 30 level)  <b>Compulsory Courses:</b> English Language Arts A 30 and English Language Arts B 30;  Social Studies 30: Canadian Studies, History 30: Canadian Studies or Native Studies 30: Canadian Studies;
	a science 20 or 30 *	
	a social science 20 or 30	
	6 additional elective credits at level 20 or 30	
2 credits in arts education or practical and applied arts at level 10, 20, or 30		
Wellness 10, Physical Education 20 or Physical Education 30		

#### Note:

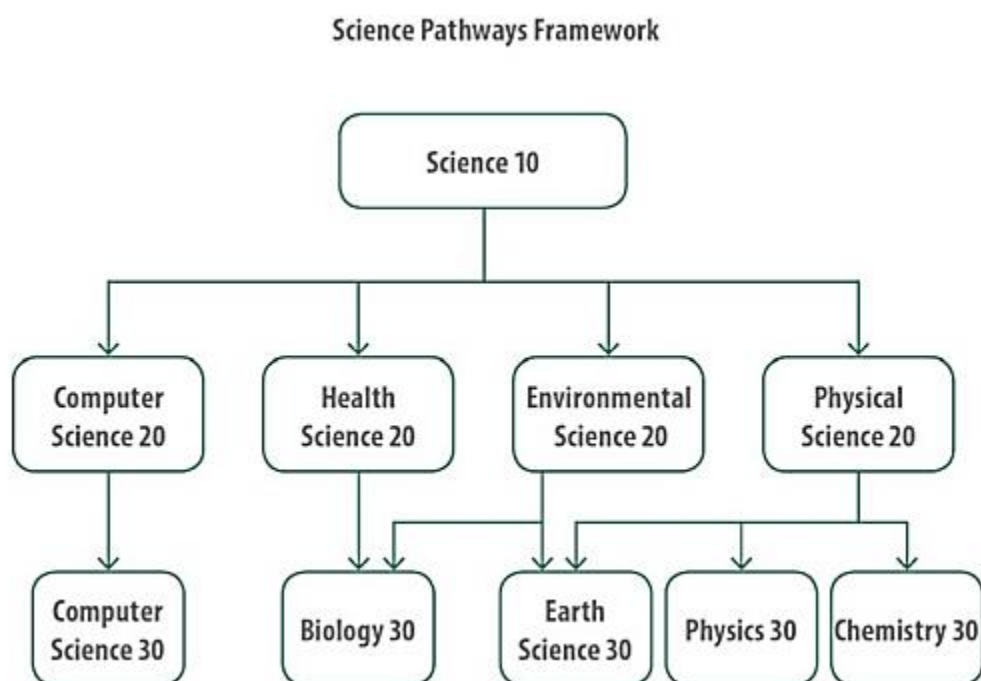

- 1 credit = 100 hours of classroom instruction and a minimum percentage of 50.
- Modified courses (11, 21, 31 and 10 A, 20 A, 30 A) can be used to fulfill requirements in the required courses of study, specified areas of study and electives.
- Locally developed courses (designated with an L) may be used to meet elective requirements only.
- Graduation requirements are minimum requirements for Grade 12 standing. Students may choose to exceed these requirements.
- This credit requirement change came into effect for students graduating in the year 2000.
- \* Science 20 or 30 prerequisites must be met unless the student is an adult by definition of [The Education Regulations, 2015](#)

Planning for high school courses begins early. **By Grade 9**, students need to be seriously thinking about their choices. When mapping out high school courses, students must consider post-secondary interests and requirements and how they may impact choices while in high school. The Math and Science Pathways are worth investigating when planning forward.

### Math Pathways Chart:

### Science Pathways Chart:

Your Career Counsellor and Principal can support if any questions as there are many factors to consider when creating a Graduation and Post-Graduation Plan. However, awareness, self reflection, research, goal setting, etc., on behalf of student and family will make for informed and personalized decisions.

**\*Sun West Student Leadership Conference and ROADS TO SUCCESS Career Fair 2020.**

It is with deep regret we announce the cancellation of our Student Leadership Conference and ROADS TO SUCCESS Career Fair for this school year. We are extremely proud of the incredible efforts of our Sun West Student Leadership Team and others who worked so hard to plan these events. We are grateful for the planned participation of keynotes, presenters, displayers, and sponsors and hope we can recreate similar events at an appropriate time in the future.

Our Sun West Student Leaders are an amazing team of students from across our division. We look forward to witnessing them take the lead as we navigate these new times. Please stay tuned for future updates.

**\*Canadian Student Leadership Conference Opportunity:** For any Sun West School Division Students who applied for the upcoming [CSLC](#) in the Fall of 2020, please know the registration deadline has been delayed as organizers work to determine whether or not the conference will take place in September. As such, the applications received have not yet been reviewed. To students who have applied, thank you so much for your interest in this amazing opportunity to develop your leadership skills.

**\*Motivational Resources for Students:** Cody Deaner was a keynote and session presenter at our Student Leadership Conference held in Biggar, SK in 2019. Cody shared his motivational messages with our student delegates. He is currently staying home to do his part to flatten the COVID-19 curve. He is using this time to compile stories, reflection activities, and further supports for students during these unprecedented times. A huge shoutout to Cody Deaner for his continued leadership. We are inspired by his innovative spirit, creativity and willingness to share. To access his Motivational Resources, click here:

<https://resourcebank.ca/courses/motivational-resources>

**\*Wellness:** Career Development is really about our life journey. As such, it involves things like our feelings, emotions, health, wellbeing, relationships, education, experiences, volunteerism, paid work, hobbies, interests, etc. It also involves a lifetime of change. As a result, it is important for students and all of us to develop skills and find tools to help us throughout life's journey. Given the current times, our Career Development Team wishes to share a few wellness related resources which may be useful in these current times:

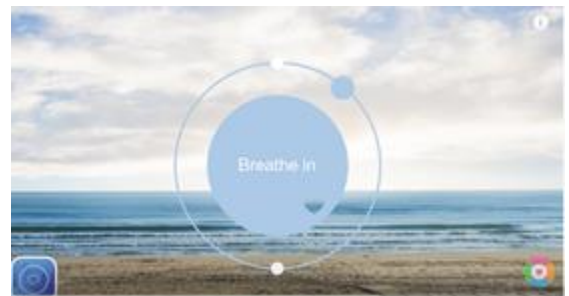

#### Action for Happiness – Active Coping Calendar:

April's Action for Happiness Calendar provides daily ideas and activities for coping.

#### Breathing Bubble:

This short video lets you focus in on your breath.

#### Coronavirus Resources for Kids, Parents, and Educators:

A compilation of coronavirus related resources for a wide audience.

## News

- b. If you missed the Open House, you can tour virtually!
- c. Join Olds College for a webinar series. Win great prizes!
- b. Upcoming Preview Days are happening in March and April. Check for details well in advance and be sure to pre-register.

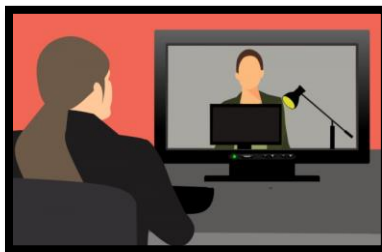

## Upcoming Events

This section is intended to keep you posted of various events and open houses. However, every student's life/career plan is personalized. As such, you are encouraged to research additional opportunities that may be more suited to your life/career planning process.

<b>April – June 2020</b>	<b>Most in person events have been postponed or cancelled due to COVID-19 but many post-secondary institutions are getting creative in offering online webinars, virtual tours, etc. Please check websites regularly for updates and opportunities.</b>
--------------------------	---

*There are many ways to stay connected and have your questions answered while staying at home. Reach out to your Career Counsellor for ideas or assistance.*

## Scholarships

It is virtually impossible to inform you of all possible scholarship opportunities. However, the fact of that matter is that significant scholarship funding goes untapped each and every year! As students, please take some time to research and investigate possible sources of funding. An investment of time and energy can lead to \$\$\$!

### Scholarship Application Tips:

- **Do your research!** There are scholarship opportunities for almost everyone! Make time to investigate by talking to your Career Counsellor, parents, visiting related websites, etc. Next year's Grade 11 students should be investigating now!
  - <http://www.scholarshipscanada.com/>
  - <https://yconic.com/>
  - <https://scholartree.ca>
- **Plan in Advance.** Some scholarships may require essays, reference letters, etc. Be sure to allow yourself and others time to prepare, edit, revise, etc. any needed documentation.
- **Choose your references wisely**
- **Double check** criteria, follow instructions, adhere to deadlines
- **Save your work** to a word document. As you start to apply for multiple scholarships, you will soon realize that many of your responses can be tweaked and used again!

**Local Scholarships:** Each of our Sun West Schools have different local scholarship opportunities, procedures, packages, deadlines, etc. If you are in Grade 12, be sure to inquire with your Principal and/or Career Counsellor for information specific to your school.

**Scholarships:** Following are just a few of the multitude of scholarship opportunities available based on current investigations with students. Begin investigating today!
