

Literacy

1. Complete the Seesaw activity.
[Community Storytelling Activity](#)
2. Think about the community helpers that you know of. (Example: Firefighter, Police Officer, etc.) Get your family to help you write them down. Place each community member on a separate piece of paper. Place the paper cards in a hat. Pull one card out at a time. Complete the following steps for each card:
 - a. Take the word and clap or tap out the syllables.
 - b. Isolate the beginning sound.
 - c. Isolate the final sound.
3. Take your family on a community walk. As you are walking take a look around to notice all the great things in your community. When you arrive back at home, take a piece of paper and draw what you saw. Make sure to snap a photo of this and send it to your teacher. You can also record what you saw.

Numeracy

1. Complete the following Seesaw Activities
[Community Helpers](#)
[Community Helper Sort](#)
2. Take monopoly money or other types of fake money and use that to go “shopping” in your own home. Have your family set up a fake store and work on your numeracy skills. (Example: Place a sticky note on your jug of milk with the number 2 on it. Use your communication skills and work out how much money you need to be able to purchase the milk.)
3. Go on a Number walk and try to find places within your home or community that uses numbers. Here is the link to a Seesaw activity.
