

Grade 3 - Music learning opportunity May 25-29, 2020

Concepts this lesson – separated, improvise rhythms, fermata

There is a listening log PDF is you choose to print it out this week under “Supporting Resources” tab in the top right of the page.

You will get to use instruments from everyday objects in your home this lesson, as well as learning to juggle. Search your house for things you can use for percussion instruments that will sound like a drum, something metal, something wood and something you can shake or scrape. There is a picture of this in Step 1 as well. You will also need to find some light weight scarves or pieces of material to do some juggling!

You will learn “Tinga Layo”, an “Inuit Lullaby”, watch a video (link in an orange tab provided), and the “The Juggler” and juggle scarves.

Follow and do Steps 1-8.

Step 9 – options to send evidence of learning to your teacher!

I look forward to hearing from you!

Click on the link below, and it will take you to the lesson!

Enjoy!
