11:00 PM

Reading	Writing & Representing	Math
Do this word work activity on Seesaw.	Take your class on a Virtual Field Trip: Farm Tour!	This adding activity is a great review of adding strategies: Adding Three Numbers
Use this Seesaw activity to discover five wolf facts and read them. Seesaw - Wolf Facts	Learn about Farm Safety with this video and activity. Seesaw - Farm Safety	This addition activity covers the concept of missing addends. Unicorn Addition
Read a fictional and non-fictional book about farms	Watch a video and respond by arranging the life cycle of a butterfly in order . Have fun!	Read a Pearson Mathology Book and do an addition & subtraction activity. Grade 1 Grade 2 Grade 3
Listen to the story, "The Very Hungry Caterpillar," and answer the questions afterwards.	Learn about the lifecycle of a frog! Watch this video and respond to the template.	Recall addition and subtraction facts to 20, in this Seesaw activity .
Do this 5 Days of Sight Words activity on Seesaw throughout the week. Record your reading on Friday.	Listen to three stories about crows and use a chart to write your own story about an animal . The link to the story telling is in the Seesaw Activity.	Play "How Many are Hiding?" Gather a specific number (10, 20, 25) of an object (toothpicks, beads, blocks, etc). Lay the objects out in front of you. Partner One looks away while Partner Two takes away a number of the objects (hide them in your hand; put them under a container). Partner One looks at what is left on the table and says how many of the objects have been taken away. Trade jobs.
