Get Moving	Get Creative	Project
Pop some bubbles in this GoNoodle Video .	Father's Day Choice Board	<u>Make a map of your yard or your favorite playground</u> Watch the video link below to help you learn how to draw shapes to represent the things you see. Draw a map of your house Then draw a map of your yard or your favorite playground. Remember you are looking down like a bird flying over. So draw what that bird would see. Ask an adult to help you add the directions North, West, South, and East to your map. Draw maps of other places you like to go.
