

Student Career News

November is Canada Career Month!

Career Development helps students develop skills to keep moving forward, embrace the unknown, increase your self awareness, see opportunities, build relationships, know your strengths, hold hope, and be nimble. ([Canada Career Development Foundation](https://www.careerdevelopment.ca/)).

To celebrate Canada Career Month, our Career Development Teachers will be connecting students and families with various career-related events, activities and learning experiences. As well, students and families are encouraged to engage in career-related conversations and investigations. Following are some possibilities:

ENGAGE IN CAREER CONVERSATIONS

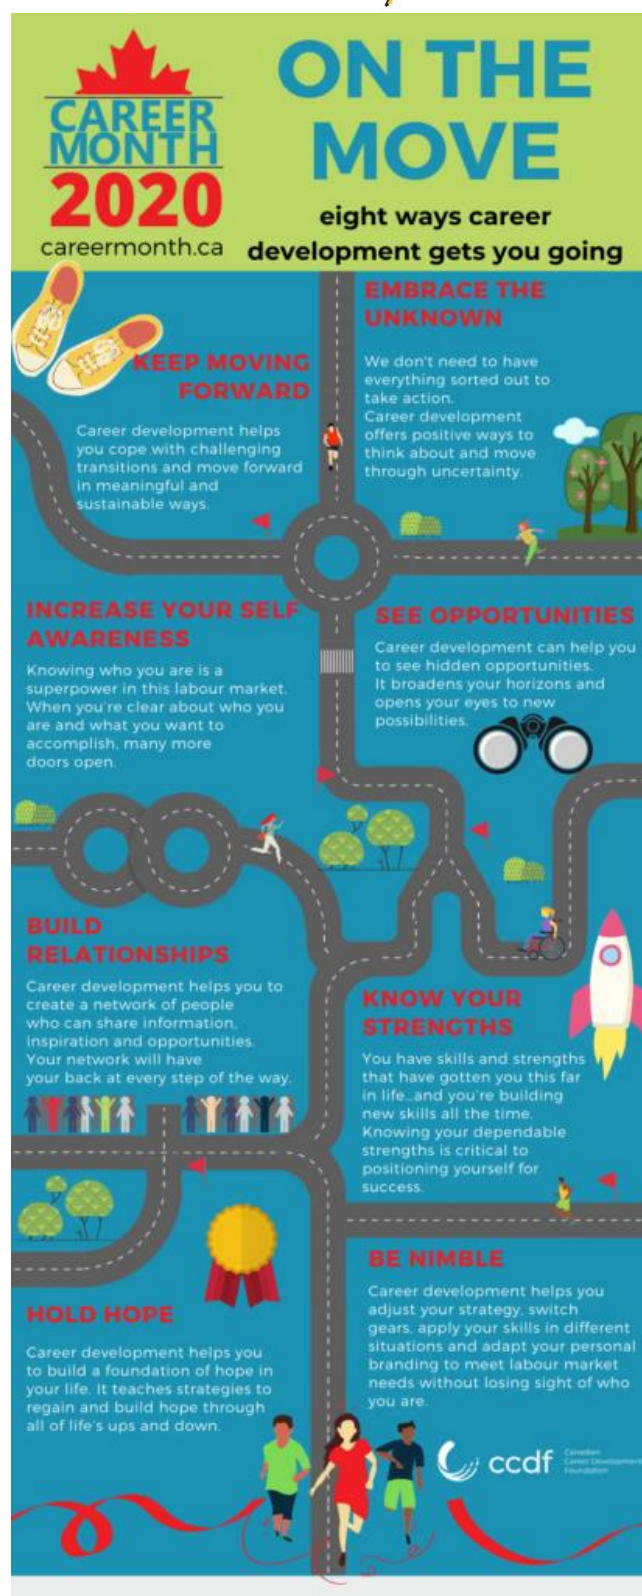

Our Career Development Teachers will be available online for career conversations at student/parent/teacher conferences. We look forward to connecting with students and families.

PARTICIPATE IN TRADES & TECHNOLOGY WEEK

November 1-8 is Skilled Trades and Technology Week in Saskatchewan. What a great opportunity to explore opportunities in the skilled trades! Perhaps ask your Career Counsellor about Apprenticeship Credits.

REGISTER FOR THE SASKATCHEWAN YOUTH APPRENTICESHIP PROGRAM

Any Grade 10 to 12 students interested in pursuing the skilled trades have an opportunity to enroll in the [Saskatchewan Youth Apprenticeship Program](https://www.saskatchewan.ca/youth-apprenticeship-program). Please speak to your Career Counsellor for details. This is basically an extra-curricular career investigation opportunity with huge benefits to students. In addition to exploring a trade or trades of interest, successful completion means future waiver of indenturing fee, no charge for Level 1 technical training, and 300 hours of trade time credit.

ATTEND SEE YOUR FUTURE CAREER FAIR – VIRTUAL CAREER FAIR

November 3rd , 2020 9:45 to 3:00

See Your Future: <https://seeyourfuture.ca/>

Event Day: <https://seeyourfuture.vfairs.com/>

This virtual event will help students investigate a variety of possibilities for life following high school.

EXPLORE VARIOUS ONLINE OPPORTUNITIES

Continue your life/career investigations as informed decisions are the key to future happiness. Whether you are wondering about employment, a gap year, college, university, travel, scholarship, resume building, portfolio building, etc. your Career Counsellor can help connect you to various online supports for you and your family. This newsletter is jam-packed with ideas for virtual life/career investigation opportunities.

DEVELOP/REVISIT HIGH SCHOOL COURSE PLANNING:

Grade 9-12 students and families should be very familiar with Saskatchewan graduation requirements. Your Career Counsellors and Principals can support if any questions as there are many factors to take into consideration when creating a Graduation and Post Graduation Plan, Being aware of aware of interests, skills, future goals, and becoming familiar with current Saskatchewan Graduation requirements are helpful. [This Saskatchewan High School Credit Options document](#) provides info on Saskatchewan Graduation. As well, details found in September's Student Career Newsletter will support the planning process.

UTILIZE myBLUEPRINT

myBlueprint is available to Grade 9 through 12 students in support of our Graduation and Post Graduation Plan. The transition to post-secondary can be daunting for students (and their parents!). Whether they are entering a college, university program, apprenticeship, the workforce, volunteering, planning a gap year, etc., students will inevitably experience drastic changes. Our Career Counsellors can help support the use of myBlueprint as a tool for life/career planning and investigation. This tool can help students/families:

1. Research the high school courses that are required for their programs of interest.
2. Research post-secondary programs so they are aware of important dates and resources available to them (i.e., scholarships, bursaries, moving dates, etc.)
3. Develop a budget to finance their post-secondary pathway, etc.

Did You Know? Parents can gain access to myBlueprint!

FOCUS ON WELLNESS

Life/Career Planning involves all of what makes us who we are – our feelings, emotions, health, wellbeing, relationships, education, experiences, volunteerism, paid work, hobbies, interests, etc. A wellness resource: [Action for Happiness – New Ways November](#)

TAKE OUR KIDS TO WORK (TOKW) DAY 2020 GOES VIRTUAL!

Wednesday, November 4, 2020 for Grade 9 Students

ATTN: Grade 9 Career Education Students and Parents/Guardians

Take Our Kids To Work Day is a unique program for students initiated by [The Learning Partnership](#). Traditionally, this has been a job shadow activity for Grade 9 students to help them make connections to the world of work and begin thinking about their own future. Due to Covid-19, this national event will be offered differently this year yet will be extremely worthwhile. Career Education 9 Teachers will lead our Grade 9 students through a virtual Take Our Kids To Work Day experience utilizing events hosted by the Learning Partnership and by incorporating other related activities.

The goal of Take Our Kids To Work Day 2020 is to “ignite students’ curiosity and open the door for them to see what is possible for their future.” ([The Learning Partnership](#)). It will be “Bigger. Better. Virtual.” ([The Learning Partnership](#)).

Students will engage in a number of virtual learning experiences during Career Education class in and around TOKW Day in support of the following outcomes:

CG 9.1 Utilize career information to construct an organized plan of career building which reflects an attitude and expectation of lifelong learning.

LW 9.1 Assess one's own abilities to seek, obtain, and/or create work through researching successful strategies and applying them to one's life.

LW 9.2 Use acquired knowledge to create a plan for life and work based on one's preferred future.

This is a great time for Grade 9 students to initiate career conversations with their parents/guardians to help make connections to the world of work while beginning to think about their future. Some possible conversation starters include:

- Why did you choose this job?
- What do you like about this job?
- What do you dislike about it?
- What is involved in a typical day at work?
- What’s the hardest part about your job? Or, what is biggest challenge?
- What are advancement/growth opportunities?
- What’s one thing that most people don’t know about this career?
- Is there anything you wish you would have done to better prepare yourself for the world of work?
- What skills/characteristics make a person successful at this job?
- What classes can I take to help prepare me for a job in this field?
- What skills are useful for this job?
- Does this job/career align with our family lifestyle? Why/why not?
- What hopes/dreams do you have for me as I graduate from high school and transition to the world of work?

Expressing gratitude is essential on our road to success.

Work-based Learning Partners: THANK YOU to all of our local and area business partners who are willing to support student learning. We realize this is a significant investment in time and resources with added pressures given our current times. Thank you for believing in and supporting the skill development and life/career investigation of our young people.

SUN WEST STUDENT LEADERSHIP PROGRAM 2020-2021

THANK YOU to students who applied for our Student Leadership Program. Members of our program work collaboratively towards shared goals and build many valuable 21st century skills in the process. There is such power in student voice and leadership! Congratulations to this year's successful applicants!

Occupation Spotlight

In the
Spotlight

Focus on Mining

If you interested in the mining industry but do not know what opportunities are available to you? See [Careers in Mining](#) Profiles.

Mining makes a real difference.

Minerals and metals are essential to our daily lives. It's difficult to imagine a world without them.

Did you know we use:

Coal	Electricity, char briquettes, activated carbon
Uranium	Clean Electricity, Cancer Treatment
Potash	Fertilizers, Computer Screens, Rocket Fuel
Gold and Platinum	Jewelry, Electronics
Diamond	Jewelry, Cutting and Grinding Tools
Sodium Sulphate	Detergents
Clay, Meta-Kaolin	Porcelain, Pottery, Bricks, Concrete
Silica Sand	Glass, Water Filtration
Bentonite	Cat Litter, Drilling Mud, Sealant
Salt	Water Softener, Food Flavouring, Ice Melting
Zinc	Batteries, Sunscreen, Anti-Corrosion, Paint
Copper	Wire, Electronics, Antimicrobial Applications
Rare Elements	Magnets in Electronics, Lasers
Nickel	Steel, Batteries, Magnets
Cobalt	Batteries, Electroplating, Cancer Treatment

Mining is... Rewarding.
Technology. Opportunity.
Community. Sustainable >>>

It's time to explore >>

saskmining.ca

**Mining is... Rewarding,
Technology, Opportunity,
Community, Sustainable >>>**

A career in mining look what you can earn!

(Ranges represent progression from junior – senior levels and do not include overtime; management levels in each category would be higher)

Safety Environmental and Health Professionals Environment, Safety and Radiation Technicians, and Officers, Health and Safety Coordinators.	\$55,000 - \$140,400
Trades Welders, Industrial Electricians, Industrial Mechanics/ Millwrights, Heavy Duty Mechanics, Power Engineers	\$86,000 - \$116,000
Technologists Instrumentation, Engineering, Geoscience, Chemistry, Drafting, Lab	\$53,000 - \$132,000
Material Handlers Warehouse Person, Warehouse Supervisor, Ore Handler	\$65,000 - \$85,000
Mine Operators Mine Helper, Hoist Operators	\$65,000 - \$112,000
Production and Mill Operators Process, Production and Mill Operators	\$65,000 - \$112,000
Mineral and Metal Processing Supervisors Process Foreman, Mill Supervisor, Lab Supervisor	\$88,000 - \$148,000
Business Professionals Human Resources, Community Relations, Accounting, Procurement, IT, Legal	\$52,000 - \$124,000
Engineering, & Science Professionals Mechanical, Chemical, Mine, Environmental Engineers, Geoscience, Environmental Sciences	\$63,000 - \$147,000

It's time to explore >>

saskmining.ca

Work Prep Centre in Regina offers [Virtual Reality Career Simulations](#). Check them out!

MINING ENGINEER

In the **Mining Engineer** simulation the explorer will experience some of the planning phases of building a mine. They will learn to pilot a drone and take pictures of key locations around the proposed mine site. The explorer will then learn about the different types of mines that could be constructed at this site. They will then use this information to select which type of mine should be constructed.

myBlueprint is a great tool for investigating options.

News

- A. Our Career Development LEAD Teacher Team has created a **Sun West Career Development Facebook Page** to help students/families stay up-to-date with timely information. If interested, please visit: <https://www.facebook.com/SWCareerConnectors/>
- B. [Sun West Resource Bank](#): Current issues of this newsletter can be found on our Sun West Resource Bank by searching “Student Career News”.
- C. [Caring Careers](#): Provides information about working in the disability sector.
- D. [Saskatchewan Cancer Agency](#): Check Radiation Therapist brochure.
- E. [Computing Careers and Disciplines](#): A free quick reference guide for students.
- F. **Post-Secondary Application Process for Colleges**: For any students interested in applying for colleges such as Saskatchewan Polytechnic, **the time to apply is now** (generally speaking). For example, be sure to apply early for any Saskatchewan Polytechnic programs where admission is NOT based on a competitive admission. Grade 12 students can apply for these types of programs now. Failure to apply early could delay your potential start date by a year or more.
- G. **Post-Secondary Pre-Requisites**: Understanding pre-requisites can assist students as they select classes and plan for post-secondary education. Investigate and plan forward!
- H. [Choosing Your Post-Secondary School or Institution](#) information and tips.
- I. [The Young Worker Readiness Certificate Course \(YWRCC\)](#) is a mandatory requirement for all 14 and 15 year old workers in our province. It is up to employers to ensure their employees have this certification. However, many of our Career Development Teachers are incorporating this into Career Education and/or Career and Work Exploration courses. As well, some of our teachers are supporting students with [Career Safety Education](#) training.
- J. [Career Development Webinars](#) – offered through 4-H. A series of free webinars on a variety of career planning topics including resume writing, interview skills, transitioning from classroom to the workplace, etc. are available.
- K. **Considering a Gap Year?** Families may view a free webinar and tap into various resources at the [cangap website](#). See an article called “Things to do on a COVID-Induced Gap Year”.

- L. [Spotlight on Careers](#): The SIEC is offering their “Spotlight on Careers” virtually this year. As such, it is open to Grade 10-12 students and teachers from across the province. The focus for November is “Manufacturing & Mining”. If interested in a career in this area please check out the virtual opportunities.

- M. Work Prep Centre in Regina offers [Virtual Reality Career Simulations](#). Check them out!
- N. [Edge Factor](#): Choose your character to begin your experience. Or, view materials in the [“Discover a Career You’ll Love”](#) section.
- O. [Virtual Work is Here: A Guide for Youth](#)
- P. [House of Commons Page Program](#): If interested in a year-long experience and in becoming a page, check out this program. Apply by Nov 8th.

Post-secondary News

This section contains links to some post-secondary opportunities being investigated by our Sun West School Division students.

- A. [Briercrest College and Seminary](#):
- [Webinars](#) are available.
 - Viewbook 2020
- B. [Canadian College of Naturopathic Medicine](#)
- C. [Canadian Forces Recruiting](#):
- Regular Force (Full Time) Members of the Regular Force serve full time protecting Canada and defending our sovereignty.
 - Primary Reserves (Part Time) Members of the Reserve Force serve part time in the CAF. The main role is to support the Regular Force at home and abroad.
 - Paid Education. The Canadian Armed Forces (CAF) has a number of paid education programs to prepare you for a challenging and rewarding career.

- U. [University of Regina](#)
 - a. [First Nations University of Canada](#) is open to all students regardless of heritage. Campus tours are available.
 - b. [Faculty of Nursing](#): Applications for the Saskatchewan Collaborative Bachelor of Science in Nursing program will continue to be accepted by SaskPoly from Oct 1st to Feb 15th.
 - c. [Nursing for Prospective Students](#): Video information sessions will be offered on the first Thursday of each month for five months. Nov 5, Dec 3, Jan 7, Feb 4 at 6:00PM. Spots book quickly, so book yours today.
 - d. [What is Business?](#) Info Session – Nov 17th
 - e. [Parent Info Night for Faculty of Business Administration](#) – Nov 18th
 - f. [Social Work Info Night](#) – Nov 19th
 - g. The Faculty of Engineering and Applied Science will host a virtual [What is Engineering?](#) Session on Nov 20th from 5:30 to 7:00pm.
 - h. [High School Early Admission Days Application Workshop](#) – Nov 26th, 27th
- V. [University of Saskatchewan](#)
 - a. Students can begin applying for direct entry admission to the [Education Programs](#) (elementary/middle years and secondary)
 - b. [USASK EXPRESS](#) Application workshops are being offered on Nov 10th, 19th and 24th from 6:30 to 8:30pm. Each event includes application workshops, information sessions and a drop-in Q&A. Eligible students with proper requirements could receive a decision within one week!
 - c. December 1 is [Early Admission Deadline](#) for competitive ranking-based colleges of Engineering, Kinesiology and Edwards School of Business. Eligible applicants with an admission average of 90+ will be offered conditional admission and will

not be required to wait for the competitive ranking in February. The final application deadline for these colleges is Feb 15th.

- d. [The Best and Brightest Scholarships](#). Student must first apply for admission by December 1st then can apply for the following scholarships by Dec 15th:
[George and Marsha Ivany President's First and Best Scholarships](#)
[Chancellors' Scholarships](#)
[U of S Entrance Scholarships](#)
[Edwards Undergraduate Scholarships](#)
[College of Agriculture and Bioresources Renewable Entrance Scholarships](#)
- e. Feb 15th is deadline for the [Competitive Entrance Awards, Scholarships and Bursaries](#).
- f. [The College of Engineering is "Re-Engineering"](#) the first year for Engineering Students.
- g. [What is Engineering?](#) – Students, counsellors and parents can join What is Engineering? This will provide you with a first-hand look at the USask Engineering AND learn all about the redesigned first-year engineering program - Nov 17th from 4PM to 7PM
- h. NEW! [Biomedical Sciences](#) – a revamped biomedical degree program.
- i. [St Peter's College](#) is situated near Humboldt and offers first year and numerous second year classes, including engineering and the new U of S Criminology and Addictions certificate.
- j. U of S has a number of [virtual events](#) to support prospective students.
- k. [U of S General Video](#)
- l. College of Agriculture and Bioresources
[Interested in Agriculture and Bioresources Video](#)
Interested in meeting the demands of a growing, hungry world? Advancing responsible use of land, water and bioresources? Graduating with excellent, industry-endorsed scientific training and a foundation of marketable career skills? The College of Agriculture and Bioresources at the University of Saskatchewan is for you!
Our students learn in hands-on, experiential learning environments such as:
 - growing vegetables in our rooftop garden,
 - conducting research in world-class facilities,
 - working with animals in our barns,
 - travelling to Ecuador and the Netherlands to study crops and
 - participating in labs, field work and professional development activities.

Visit agbio.usask.ca to learn more. Follow us on Instagram and Twitter @agbiousask. Zoom presentations can be arranged for interested students/families.

Upcoming Events

This section is intended to keep you posted of various events and open houses. However, every student's life/career plan is personalized. You are encouraged to research additional opportunities that may be more suited to your life/career planning process.

Please click on links to view website information.

Various	Webinar Wednesdays at Olds College
Various	SIEC Spotlight on Careers
Various	UBC and UBCO – various November dates for open houses and info sessions. See page 11 of newsletter.
Nov 1-8	Trades and Technology Week – make time to explore opportunities!
Nov 2	Great Plains College Webinar – Swift Current Campus
Nov 3	SEE YOUR FUTURE Education & Career Fair - Virtual Career Fair this year 9:45-3:00pm. The goal of the education fair is to allow students access to information about future education and career choices.

Nov 19	U of R Social Work Information Night
Nov 19	U of R Guidance counsellor Mini-update 11:00AM to 12:00PM Online
Nov 20	What is Engineering? U of R
Nov 26, 27	U of R High School Early Admission Days Workshop
Dec 1	Early Admission Deadline for a number of U of S competitive entry programs.
Dec 2	Great Plains College Webinar – Warman Campus

Note: This newsletter is to inform families of career investigation opportunities. However, post-secondary events and open houses are NOT school sponsored. Thus, your parents must excuse you from school if you plan to attend any of the opportunities advertised in this newsletter.

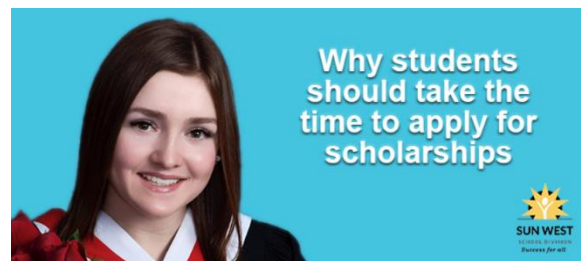

Scholarships

It is impossible to inform you of all possible scholarship opportunities. However, the fact of that matter is that significant scholarship funding goes untapped each and every year! As students, please take some time to research and investigate possible sources of funding. An investment of time and energy can lead to \$\$\$!

MAKE BANK:

[A RECENT SUN WEST GRADUATE SHARES REASONS TO APPLY FOR SCHOLARSHIPS!](#)
(CLICK LINK ABOVE TO VIEW ARTICLE)

This is a great time of year for current Grade 12 students to create accounts on various scholarship websites. Doing so will provide customized information as to potential scholarships of interest based on student involvements. A few resources to consider:

[Scholar Tree](#) scholarships made simple. Set up an account to find scholarships in Canada.

[ScholarshipsCanada](#) allows you to create an account, set up a profile, and search for scholarships based on your education, skills, and interests.

[Yconic](#) offers free scholarship matching and peer-to-peer support for your life as a student.

[University Study](#) contains information on Canadian universities and scholarships.

[HigherEdPoints](#) did you know you can transfer points from some banking institutions to bring down student tuition?

[View a Scholarship Workshops or Webinars](#) such as this one by Jane Thompson, Executive Director of the TD Scholarships Community Leadership Program.

Many of our local and area businesses offer scholarships to our Sun West Schools. Details on opportunities are typically shared with students closer to Graduation.

[Boost Your Chances of Securing a Grant, Bursary, or Scholarship](#)

There are a multitude of scholarship opportunities available. Below is just a sample. Begin investigating today!

Due Date	Scholarship	Amount	Criteria
Nov 1	SaskTel & Saskatchewan Indian Institute of Technologies	6*1,500	Preference given to Aboriginal student who pursue post-secondary education in fields directly related to telecommunications (including areas such as Business administration, accounting, marketing, etc.)

Nov 13	TD Scholarships for Community Leadership	20 & up to \$70,000	Demonstrate dedication in solving a community problem or in making it a better place. Demonstrates leadership.
Dec 5	Job Applications Scholarship	\$1,000	Must be a working parent. Submit an essay about experience as a parent working way through pursuing higher education.
Dec 15	Burger King Scholarship	\$1,000 to \$50,000	For employees, dependent children of employees, etc. See website for details.
Dec 15	Best and Brightest U of S Scholarships	Various	For any students considering admissions to U of S

Our 2020-2021 Team of Career Development LEAD Teachers:

Ms. Talie Chupik - BCS 2000

Ms. Char Dansereau - Beechy School, Dinsmore Composite School, Kyle Composite School, Lucky Lake School

Mrs. Rietta Frick-Davis - Rosetown Central High School

Ms. Renee Harrison - Sun West Distance Learning Centre

Mr. Ryan Johnson - Davidson High School, Kenaston School, Loreburn School

Ms. Heidi Marchant - Kindersley Composite School

Mr. Sam Motier - Elrose Composite School, Eaton School, Eston Composite School, Westcliffe Composite School

Mrs. Treena Watterodt - North West Central School

Mrs. Shannon Stephenson - Outlook High School

Mrs. Vanessa Lewis - Learning Consultant

Our Career Development Teachers/Career Counsellors enjoy helping students and families with the life/career exploration process.

Please reach out for support.
