December is here!

'Tis the season

'Tis the season for many things including Career Development.

This newsletter highlights a few happenings, news items, upcoming events, and scholarship info to assist you with your life/career planning. Enjoy!

November was Canada Career Month!

This year's Canada Career Month theme was "It's Possible". "To find out what is possible, Career Month is asking you...to start a career conversation with an 'It's Possible' statement.

It's possible to volunteer your way to meaningful work. It's possible to take a gap year, and not 'miss out' on an opportunity. It's possible..." ([Canada Career Month Website](https://www.careermonth.ca/))

A shout-out to our Career Development LEAD teachers who coordinated and/or promoted various activities, events, learning opportunities, etc. in celebration of Canada Career Month. A few highlights include:

TAKE OUR KIDS TO WORK DAY (TOKW Day)

Many Grade 9 students from our school division participated in virtual Take Our Kids To Work Day learning experiences as part of Canada Career Month.

SASKATCHEWAN YOUTH APPRENTICESHIP PROGRAM (SYA)

Our Career Counsellors connect with interested students regarding the SYA program. Grade 10 to 12 students interested in pursuing the skilled trades have an opportunity to enroll in the [Saskatchewan Youth Apprenticeship Program](https://www.saskatchewan.ca/youth-apprenticeship-program). There is still time to register if interested.

CAREER CONVERSATIONS

Our Career Development Teachers offered virtual and/or in person meetings during Student/Parent/Teacher Conferences to support students/families with the career exploration process as well as progress in Career Education and Career and Work Exploration Courses. Please reach out if you have any ideas, questions, etc.

Canada Career Month

This year, think about what's possible for you to achieve in your career at any stage of life.

Let's get you started.

UTILIZE myBLUEPRINT

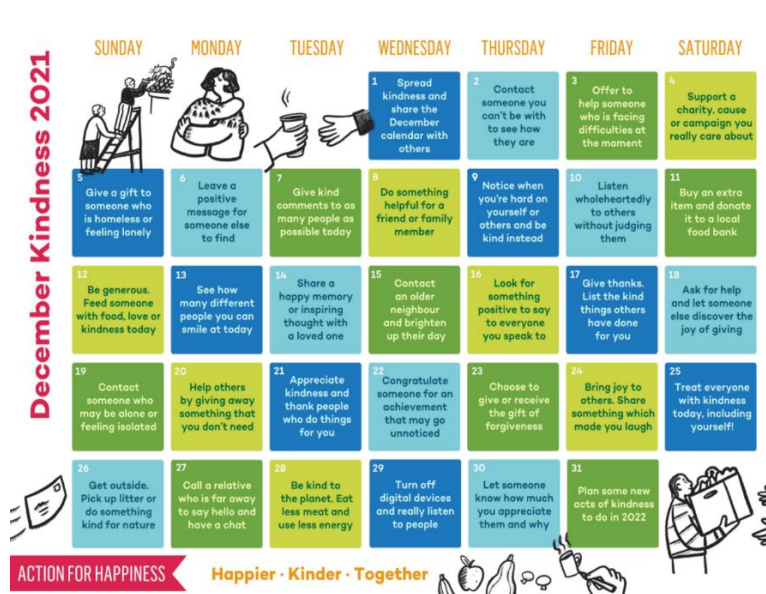

myBlueprint myBlueprint is available to Grade 9 through 12 students in support of our Graduation and Post Graduation Plan. The transition to post-secondary can be daunting for students (and their parents!). Whether they are entering a college, university program, apprenticeship, the workforce, volunteering, planning a gap year, etc., students will inevitably experience drastic changes. Our Career Counsellors can help support the use of myBlueprint as a tool for life/career planning and investigation. This tool can help students/families:

1. Research the high school courses that are required for their programs of interest.
2. Research post-secondary programs so they are aware of important dates and resources available to them (i.e., scholarships, bursaries, moving dates, etc.)
3. Develop a budget to finance their post-secondary pathway, etc.

Did You Know? Parents can gain access to myBlueprint!

FOCUS ON WELLNESS

Life/Career Planning involves all of what makes us who we are – our feelings, emotions, health, wellbeing, relationships, education, experiences, volunteerism, paid work, hobbies, interests, etc. A wellness resource from the Action For Happiness Website: [Do Good December 2021](#)
